United States House of Representatives  
Washington, DC 20515

Dear Congressman:

The Taxpayers Protection Alliance (TPA), representing millions of taxpayers across the country, urges the House of Representatives to vote YES for the Tax Cuts and Jobs Act. TPA is encouraged by the final tax reform package crafted by the conference committee. This legislation will provide comprehensive tax relief for millions of Americans.

The conference report has many positive aspects, including a doubled standard deduction, a 21 percent corporate rate, and a \$2,000 child tax credit. This legislation allows the economy to flourish, as small businesses get the green light to expand, hire, and increase wages. Individuals and families will have an easier time saving for education and retirement, with the thousands of dollars in annual savings from the legislation.

Additionally, the repeal of the Obamacare individual mandate penalty relieves an onerous burden for taxpayers while saving hundreds of billions in exchange subsidy payments. Taxpayers will finally have the freedom to forgo health insurance if they choose, without risking penalty from the federal government. TPA is pleased that the conference committee offers a plan that sharply curtails government while giving power back to hard-working Americans.

TPA urges every Congressman to vote YES on the Tax Cuts and Jobs Act.

Sincerely,

David Williams  
President
